

start small - think big

E X P A N D

your HOME | GARDEN | MIND | HEART | WORLD

.....
use this small container to fill/empty/transport and ... transform a small corner of your home
| a catalyst for change

a thought for the future... for spring... for growth... for heat and colour |
sow and observe how your garden, how the season, how nature evolves...

a cup of tea just for you | take a moment, to dream, to aspire | open your eyes, your mind, your
body to your vision, your intuition | let go of the long list of to DOs and just BE in the NOW.

a light to shine on your relationships (family, friends, colleagues)
how would you like to show up in the interactions you'll encounter?
is there anything you'd like to change, improve, begin, discard?

how can we utilize our resources better ? | a bag for produce? for gifts? for...? |
a small step towards zero waste and an end to single use plastic.

.....
here's to a
LIGHT FILLED NEW YEAR
of

**CHANGE
GROWTH
FULFILLMENT**

... from little things, big things grow ...
