QUILT SIZE NOTE: Quilt sizes shown here were chosen based on nearest multiple of 12", 9" or 8" blocks to a size that would cover the mattress. These are suggested sizes only.

CALCULATE YOUR OWN QUILT SIZE: Measure width (W), length (L) and depth (D) of mattress.

Quilt width = W + 2 x D Quilt length = L + D

Consider how much over hang you want based on bed frame height, and if you want pillow tuck as well.
